

No. 008/2025

31 March 2025

Subject: Request for Extension of e-One Report Submission Due to Earthquake Incident

To: Secretary-General
The Securities and Exchange Commission (SEC)

According to the SEC's announcement on its website regarding the relief measures for listed companies affected by the earthquake incident to request an extension for submitting Form 56-1 One Report, should they be unable to submit it within the deadline,

Principal Capital Public Company Limited (the "Company") would like to request an extension for the submission of the e-One Report. The reason for this request is that the information required in the e-One Report differs in perspectives from that is normally disclosed in the One Report of booklet form. As such, the Company needs to wait for data from other departments where staff members have been affected in terms of residential, and other personnel are focusing on the assessment and care for employees impacted by the incident as a priority. The Company expects to be able to submit the e-One Report by 2 April 2025.

We respectfully submit this request for your consideration.

Sincerely,

- Signed -

(Mr. Tharin Eampetcharapong)

Chief Financial Officer
